The 6th International Symposium
on Satellite Navigation Technology
Including Mobile Positioning
& Location Services

MELBOURNE AUSTRALIA 22ND – 25TH JULY 2003

CALL FOR PAPERS - REGISTRATION OF INTEREST

THE EVENT

The Australian Global Positioning Systems Society (GPS Society Inc.) is proud to host SATNAV 2003, an event featuring workshops and free trade exhibition. The 6th International Symposium on Satellite Navigation Technology including Mobile Positioning & Location Services will be held at the Hyatt Melbourne from Tuesday 22nd July to Friday 25th July, 2003.

The symposium is co-sponsored by the International Association of Chinese Professionals in Global Positioning Systems (CPGPS) and is supported by the Australian Institute of Navigation and leading organisations in surveying, navigation and positioning. This support ensures that SATNAV 2003 will again be the premier event on navigation and location services in the Australasian region.

YOUR OPPORTUNITIES

- Discuss the current developments in navigation and location based services.
- Learn about the newest products on the market.
- Interface with users, manufacturers and service providers.
- Interface with integrators, system builders and vendors.
- Mix with professionals from varying backgrounds in a true cross-disciplinary event.
- Access International and Regional Specialists on Navigation and Location Based Services

FREE TRADE EXHIBITION

- A free trade exhibition is included in the Symposium Registration.
- SATNAV 2003 is the only:
 - GPS
 - Navigation and
 - Mobile Locationexhibition serving the Australasian region in 2003.

This is a great opportunity to see the latest products offered by leaders in the field of equipment and services in positioning, navigation and more.

- The exhibition will include leading application developers and will be held concurrently with the symposium.
- The exhibition aims to provide an extension of the learning experience. Free Exhibitor Forums will highlight the most recent product developments in this area.

EXHIBITORS FORUM

Exhibitors will present their latest products in short forum presentations

SPONSORSHIP

Many Sponsorship opportunities are available and can be viewed on the web page at www.gps-society.org or contact Organisers Australia to receive a copy of the Sponsorship Prospectus. Sponsorship opportunities can be tailor made to suit your requirements.

WORKSHOPS

Workshop topics selected for presentation by keynote presenters from Overseas and Australia include:

- GPS modernisation
- GALILEO – The European Alternative
- Mobile location for mobile phones – Technology
- Mobile location services
- Navigation Accuracy improvement by Wide Area Augmentation
- Receiver Technology
- Indoor GPS
- Inertial Systems
- GPS for precise timing

- Guidance Applications
- FEDSAT - Navigation in Space
- Signal Interference and Multipath

THE SYMPOSIUM

The symposium will cover 10 technical sessions on current topics of System Development and Applications, expanding on the workshop contents.

CALL FOR PAPERS – ABSTRACTS

Abstracts are only accepted on the basis that presenters must register for the conference and pay the discounted registration fee by the early- bird date.

You are invited to forward an abstract (approximately 150-250 words), along with your relevant biographical details (approximately 50 words) by 26th January 2003. You will be notified regarding the acceptance, or otherwise, of your abstract in February 2003. Preference will be given to those abstracts that fall within the key themes of the symposium.

Formats for abstracts should be as follows:

- Word 97 document
- Times New Roman – 12 point
- Full name and address details for all presenters and co-presenters – presenters & co-presenters names must be underlined.
- Names of all authors
- Abstracts should be emailed to vanessa@orgaus.com.au

REFEREED PAPERS

Full papers will be reviewed before acceptance of contributions to the symposium in order to ensure the highest quality and to meet the requirements for refereed publication standards. The proceedings will be published by Menay Pty Ltd, Australia in CD format.
